- Promotes improved performance in strength, muscle mass and stamina.
- Activates your stem cells and helps reset them to a more youthful state.

Secondary Benefit

- Supports a healthy cardiovascular system.
- Supports healthy cognitive function.
- Faster muscle growth and recovery.
- Supports fat loss when used in tandem with a healthy diet and exercise program.
- Supports bone health.
- Increased energy and better sleep.
- Supports the immune system.
- Relief of minor aches and pains.
- Improved Cognition.
- Improved skin quality, reducing the appearance of lines and wrinkles.
- Supports natural wound healing process.

Distribution

- Found primarily in the muscle, heart, brain and skin.
- Found throughout the body.

General Info

- X49™ is a more focused patch and should be mainly used for those who are looking for not only an increase in stamina and strength but also an increase in muscle mass and a decrease in body fat.
- X39® can be used more generally and if someone had to choose 1 patch, X39® is recommended to be that one patch.

Synergy of Both in the Performance Bundle

Using both X39® and X49™ simultaneously will unlock their synergistic benefits.

X39® helps in stem cell enhancement while X49™ helps in reshaping the body and improving body composition.

Using them in tandem will improve the benefits of both products, improving overall health and ability exponentially.

Introducing the X39® + X49™

Performance Bundle

↑ Elevate ⚡ Activate ↻ Regenerate

LifeWave's New Performance Bundle includes 30 patches of X39® and 30 patches of X49™. Both are to be used at the same time, every day, giving you one month's supply.

- The LifeWave X49™ patch elevates the peptide AHK-Cu that improves cognitive function.
- Clinically proven to enhance strength and stamina.
- Reduces muscle soreness and promotes recovery from exercise.
- Support fat loss when used with a healthy diet and exercise program.

- The LifeWave X39® patch elevates the peptide GHK-Cu for the activation of stem cells.
- Clinically proven to enhance overall health and vitality.
- Gives you a new level of dynamic wellness experience.

X39® and X49™ Synergy

By using LifeWave's patented X49™ and X39® phototherapy patches together, you trigger a synergistic, multiplier effect that supports performance and shortens recovery time, allowing you to do more, better, faster.

Instructions

X39® and X49™ also share the same patch placement, so it's recommended to use 1 of each patch in 1 of each of these locations.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated when using these products.
